

SOLAR'S MOST TRUSTED

REC N-PEAK PHOTO CONTEST

Exclusive to certified REC
Solar Professional installers:

Your chance to win the value
of the REC N-Peak panels
you installed!

recgroup.com/N-Peak

Have you installed REC N-Peak solar panels? Show us and you could win the costs of the panels you installed!

Three simple requirements to enter:

1. Be a certified  installer
2. Install REC N-Peak panels (contest limited to rooftop systems only, up to 6 kWp)
3. Register the installation in the REC Solar Professional portal, be sure to include a picture!

What else do you need to know?

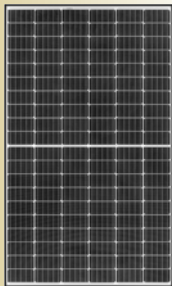

- Contest closes November 30, 2019
- Winners announced in December 2019, just in time for the holiday season
- One winner per region (Americas, Asia-Pacific, EMEA)
- Winning installer receives the value of the REC N-Peak panels used in the winning installation
